8 CERAMICHE CAESAR AEXTRA20 TILE
This porcelain stoneware slab tile can be laid over gravel, grass, or—using a raised installation system—gardens, terraces, steps, balconies, and pool decks. The slabs have rectified edges, a high resistance to breakage and water absorption, and an antislip surface finish.

10 FISKARS EASY-POUR WATERING CAN
Thanks to a unique handle design, this watering can holds a generous 2.6 gallons of water, but is still easy to carry and pour. The dual-handle design improves pouring control and offers multiple hand positions.
